

**Important: Convention News!**

**This insert was going to be the Registration Forms for the AMICA / MBSI 2020 Joint San Francisco Convention.**

The convention is scheduled for the first week in September in Northern California. We do not yet know what local and travel restrictions will still be in place by then, and we understand you may have uncertainty about your own plans. Therefore, we are delaying a decision about having the convention until late May. By then, we should have a better idea of whether we will be able to hold the convention as planned, and your own thoughts and concerns may be clearer.

If you have internet access, we will put notices about the status of the convention on our web site [www.amica.org](http://www.amica.org). We will also publish the status in Mechanical Music Digest (MMD) and on internet social media platforms and groups.

At the same time, if the convention will proceed, registration forms will be available on the AMICA website, and we will send a special US postal mailing to North American AMICA member addresses. Reasonable extended time to register will be offered. If the convention is cancelled, you won't receive individual postal mailings.

If you have any questions, please contact the convention chairpersons, Lyle Merithew and Sandy Swirsky, via email at [sswirsky@sbcglobal.net](mailto:sswirsky@sbcglobal.net). or via phone at 408-227-9284. (Note that we are unable to return calls from outside the US.)

We also invite your feedback.
