Honor Roll

Claire Rivers - A New Honorary Member

by Al f E. Werolin

At the recent annual meeting of AMICA's Board of Directors, former Ampico recording artist Claire Rivers (Mrs. Moody) was unanimously elected an Honorary Member in AMICA.

In addition to solo concert appearances, Ms. Rivers served as an accompanist for many well known singers. After making several accompaniment rolls for the Ampico with soprano Marie Louise Wagner, she toured the country extensively during 1916 and 1917 demonstrating these rolls. Although she continues to play the piano, she no longer teaches. She resides with her son in Washington, D.C.

We welcome Claire Rivers to our distinguished group of Honoraries.
